That 30c School Tax

The County Court of Jackson County deserves to be congratulated and strongly commended on its action Monday in voting the 30-cent tax levy for school purposes. The courts action shows conclusively that there is to be no backward step taken in the matter of providing for the children of Jackson County.

The majority of the Court evidenced their realization of the fact that there can be no steady progress in a community where the children are denied the opportunity of securing an education. They know that the surest way to do away with lawless conditions anywhere is the education of the young, who are to be the citizens of the future. Lawless conditions are not peculiar to Jackson County, but the county unfortunately has its share of crime, as the docket of the present term of court shows. The best and surest way to handle such conditions is the creation of a sentiment amongst all the people in favor of upholding the law. Ample schooling facilities will do this, and nothing else will, and you cannot have schools without money to build houses and pay teachers, and the only way to get money is through the medium of taxation. Money wisely expended for schools is never wasted, and it is to be hoped that the school Board chosen Monday will see that all the school money is wisely expended. We believe they will.

"Easy money" is the kind that everybody else gets but you.

The ancients knew the value of bathing. There ought to be more ancients now.

It takes a good many years of experience for a man to understand the difference between the advice, "Go on," and "Come on."

The finest lake breeze come from an electric fan.

The mystery of all time seems to be "what she saw in him" and "what he saw in her."

Failure and success are only comparative. Doubtless an idiot who thinks anything at all believes himself a success.

A good many men have tried but have failed to see through the bathing suit menace.

The woman who believes she has been "stung" by the man she married, has the consolation of knowing that most other women think the same thing about themselves.

An optimist is a business man who in spite of all his experience expects to find good news in the mail he receives on the first day of the month.

You may think you have a message to deliver to the world, but how do you know the world wants it delivered.

County Court Elect Members of Board of Education and Fix Tax Rate.

The quarterly session of the County Court held Monday was a very busy one. The morning session was taken up with the election of the County Board of Education under the new law. Each candidate presented his claim to the Court, and two of the contests were very close and exciting. The following is the result of the election:

In the First Division composed of the 1st and 15th Civil District, Shelby Dudley defeated J. H. Jackson by a vote of 21 to 7. Elected for seven years.

In the 2nd Division composed of the 2nd, 3rd and 14th Civil Districts A. McCawley was elected without opposition. Elected for 6 years.

A very interesting contest was staged between the candidates in the 3rd Division composed of the 4th and 13th civil district. W. N. Cassety defeated A. L. Crabtree by a vote of 17 to 11. Elected for 5th years.

Henry Holeman was elected in the 4th Division without opposition. Elected for 4 years. This division is composed of the 5th and 7th civil districts.

There were two candidates in the 5th Division composed of the 6th and 8th civil districts. Jessie Cason defeated G. D. Lee by the close vote of 16 to 14. Elected 3 years.

In the 6th Division composed of the 9th and 10th civil districts Mack Hensley made a run-away race defeating Perry Mabery by a vote of 23 to 7. Elected for 2 years.

The race in the 7th Division was between four candidates, namely: Lee Carter, C. S. Lock, Forest Chaffin and Dr. R. L. Anderson. On the first ballot the vote was: Lock 2, Carter 3, Anderson 11, Chaffin 14; second ballot: Lock 2, Carter 1, Anderson 16, Chaffin 11. Elected for one year. This division is composed of the 11th and 12th civil districts.

The tax rate for 1921 was fixed as follows:

Ordinary County	18c
Elementary School	30c
High School	04c
Poor House	04
Toilet	01c
Good Road Bond 1st Issue	05c
Good Road Bond 2d Issue	10c
General Road Fund	12c
State Tax fixed by State	32c

The salary of the County Superintendent was fixed at \$500. A like amount will be given by the State.

Chairman's salary was fixed at \$400.

Mrs. Hyde returned home Monday afternoon on account of urgent business matters, while Mr. O'Bryan remained several days longer owing to the fact that he and the doctor were good friends and the hospitality which he received, and also the good things which were spread before him three times daily were inducements sufficient for his stay. He met a number of our leading citizens while here, and was greatly impressed with our town and its people.

The Sentinel office had a large number of pleasant callers Monday. Several of this number come in to subscribe for their county paper, while others came in to cool their parching throats with a good drink of ice water, which the editor had prepared. It was plentiful and just as free as it was plentiful. It you failed to get a good drink (of ice water) Monday, it was because you failed to visit the Sentinel office. The town was running over with people Monday and everybody was dry and hot. The mercury registered 100 in the shade most all day.

RED SEAL LYE

LIGHTENS EVERY WOMAN'S WORK

If Women Only Knew

HOW many helpful ways they can use Red Seal Lye, very few would ever be without a can. Here are some of the money-saving, work-saving, time-saving ways to use Red Seal Lye:

To make soap: Simply mix Red Seal Lye with grease according to directions, and you'll make the finest cleaning soap you ever used—at a ridiculously low cost!

To make a cleansing solution: Dissolve one teaspoonful of Red Seal Lye in a quart of water. Use this solution for washing floors, woodwork, pots and pans, dishes and all kitchen material except aluminum ware.

In the bathroom and kitchen: Sift a little Red Seal Lye in the toilet or the sink. It cleans them and also cleans out the pipes, preventing them from becoming stopped up.

Red Seal Lye is a water softener, and saves a great deal of soap by making the water fit for washing. It kills all disagreeable odors; purifies and disinfects at the same time.

A small quantity of Red Seal Lye will go much further than a large quantity of only fair quality lye. That's because Red Seal is pure lye, free from adulterations and of the highest quality. Red Seal Lye is granulated and dissolves quickly. It is packed in cans that are easy and convenient to use. Always ask your storekeeper for, and be sure you get, the old reliable Red Seal Granulated Lye.
